Client Training & Development Survey

We are trying to secure special funding to enhance TERO services. Your response to the following questions would be greatly appreciated and will help us in various funding proposals.

	(please <input checked="" type="checkbox"/> one)	
	Yes	No
Would you be interested in participating in career coaching? (Career coaching includes assistance with resume writing, interviewing skills, discussions regarding career paths and employment, etc.).	<input type="checkbox"/>	<input type="checkbox"/>
<i>Comments:</i>		
Would you take advantage of E-Learning if it were made available to you? (E-learning is specialized training provided through a computer which can be conveniently accessed either at home or the TERO office to help develop knowledge, skills and abilities. Assistance with learning the computer program would also be available if needed.)	<input type="checkbox"/>	<input type="checkbox"/>
<i>Comments:</i>		
Would you be interested in obtaining certifications or enrolling into apprenticeships in your area of work?	<input type="checkbox"/>	<input type="checkbox"/>
<i>Comments:</i>		
How would you suggest promoting these services and program enhancements to community members if funded?	<input type="checkbox"/>	<input type="checkbox"/>
<i>Comments:</i>		

If you have any other comments regarding training and development needs, please let us know.

Thank you for completing the survey and addendum!
